

2016 GameDay Recycling Challenge Halftime Report

School Name	Conference	National Diversion Rate (%)	Total Recycling (pounds)	Conference Diversion Rate (%)	Conference Recycling (pounds per capita)
Clemson University	ACC	61.23	32180	61.23	0.404
Coastal Carolina University	Big South	40.66	1980	40.66	0.195
Florida State University	ACC	27.00	10860	27.00	0.143
Missouri State University	SEC		75		
North Carolina State University	ACC	18.81	10715	18.81	0.184
The University of Akron	Mid-American	90.11	3910.4	90.11	0.541
University of Oklahoma Norman Campus	Big 12	10.36	10088	10.36	0.115
University of West Georgia	Gulf South		297		0.039
East Carolina University	AAC		4574	42.62	0.068
Eastern Michigan University	Mid-American		57		0.003
Grand Valley State University	Great Lakes		836	65.70	0.057
University of Massachusetts Amherst (Physical Plant)	Independent		2020	68.71	0.166
University of Michigan-Ann Arbor	Big Ten		9471	56.61	0.086

National Diversion: Diversion rate for schools that tracked waste and recycling from their stadiums and their tailgating areas.

Total Recycling: Total weight of recyclables (including food composted and/or donated) for schools that tracked data from their stadiums and their tailgating areas.

Conference Diversion: Diversion rate for schools that tracked waste and recycling from their stadiums only, tailgating areas only, or from both their stadiums and their tailgating areas.

Conference Recycling: Pounds of recyclables per attendee for schools that tracked waste and recycling from their stadiums only, tailgating areas only, or from both their stadiums and their tailgating areas.

Columns highlighted in blue reflect results eligible for the national rankings, while columns highlighted in grey reflect results eligible for the conference rankings. Data reflects reported games through October 23, 2016.
